

Parish Handbook

Church of Saints Peter & Paul
66 East Main Street
Hamburg, New York 14075

Dear Friend in Christ,

We are happy to present you with a copy of our recently updated Parish Handbook. It contains a listing of all current parish activities along with a brief description of each. It also contains diocesan and local services and groups that may be of assistance to you and your family. We encourage you to take the time to read through this and to keep it as a handy reference.

Active participation in a parish group, activity, committee, etc., is a key to a real sense of belonging. Think about this as you read the various sections of the handbook. As each additional parishioner becomes actively involved in some phase of parish life, we take one more step in becoming a stronger **parish family**. All of our parish groups are interested in welcoming new members. A listing of contact persons and telephone numbers will be found on the remaining pages of this insert. If there is a person or number that you are unable to locate, call the rectory or the parish outreach office.

Sincerely yours in Christ,
The Priests of SS. Peter & Paul Parish
