The exodus is the central event of the Old Testament, giving meaning to everything else we find in its pages. Part One of this study takes us through the first 15 chapters of Exodus— from slavery to the call of Moses, from plagues to crossing the sea, from captivity to freedom in the Sinai. Discover that God hears those who are beaten down and liberates those who are in need of his justice. Commentary, study and reflection questions, prayers, and access to online lectures are included. **5 lessons.**
